

Dear [Student's Name],

I am confirming that the accommodations you requested will be provided by the overseas site during your study abroad program at [site] for [academic term and year]. (Any limitations to student's accommodations should be noted below)

Your contact person at the overseas site is (name and contact information). Please be sure to introduce yourself to this individual upon your arrival and review your accommodation needs. Your contact person will work with you to ensure that your accommodations are in place and that the appropriate faculty have been notified.

[*Optional*] Anticipated costs, if any, related to these accommodations

If you require medication while overseas be sure to bring with you a supply of it. For more details on medications/prescriptions refer to www.umabroad.umn.edu/access/student/predeparture.

If you have further questions or concerns regarding your time overseas or your requested accommodations, please do not hesitate to contact me or your Disability Specialist.

Best wishes for a successful overseas experience.

Sincerely,

[Study abroad staff person]
